MEMORANDUM FOR: The Honorable Brent Scowcroft
Assistant to the President for National
Security Affairs

FROM : George Bush
Director

SUBJECT : Distribution of CIA Memorandum,
"Status of Soviet ICBM Launcher
Dismantling Program"

1. The memorandum which we issued yesterday on Soviet progress in dismantling ICBM launchers was distributed outside CIA only to you, the Secretary of State, the Secretary of Defense, the Directors of DIA and INR, the US Commissioner of the SCC, and to the Deputy Director for Intelligence/DIA.

2. The substance of the memorandum was published in today's issue of the PDB. It will not run in any other publications

25X1B

4. If you think it important enough, the mission could be terminated on or about 15 March. The exploitation of the photography could be completed within five to six days thereafter.
